13. COMMUNICATIONS

14. PUBLIC HEARINGS

15. MAYOR'S REPORT

Mayor Hosmer shared that the 30 Church Street property (Buziel House) has entered into a purchase and sales agreement with the owners of Rowlett Septic, Ian and Mandy Hagan. There were a handful of offers. The asking price was \$450,000. The offer that was accepted was \$480,000. Council did request a few stipulations with the sale of the Buziel House, that the Hagans did agree too. The requests were: the structure be used as residential and/or a home office, right of first review if the Hagans ever decided to sell the property, and that the purchase came with four parking spots along the side of the building near the Library. Mayor Hosmer thanked the City Manager and Steve Wiese. The closing documents will be added as an agenda item at the March 22, 2021 Council meeting.

Mayor Hosmer mentioned that the Governor has released his recommendation of the State Budget. Included within the budget was House Bill 2. As a trailer bill, HB2 came out a week or so ago. One of the items within this bill is the sale of the Laconia State School property. The provision in HB2 allows the Governor and Executive Council to possess sole authority to sell or lease this property, if this were to become law, this authorization would override any other provision of law. The Lakeshore Redevelopment Planning Commission was formed in 2017 for this property. The Commission has put a lot of work over the past few years for that property. HB2 excludes Laconia in any decisions for that property going forward if that bill passes into law. Mayor Hosmer would like to know how the Council feels about this.

Councilor Cheney is deeply concerned with HB2 and he is hoping the Senate will delete this portion of HB2. Any effort the City can make to object to this part of HB2, would make Councilor Cheney happy.

Councilor Soucy agrees with Councilor Cheney. Councilor Soucy would like to hear from our local State Representatives and Executive Councilor Kenney.

Councilor Lipman suggested that an in person conversation be had with the Governor's office rather than a letter be sent. Councilor Lipman thinks maybe if an explanation was heard, then maybe everyone would have a better understanding of the Governor's thoughts.

Mayor Hosmer respects Councilor Lipman's position and has no problem in trying to be diplomatic. With this situation, Mayor Hosmer feels that the Commission as well as Laconia was blindsided by HB2. Mayor Hosmer does not want to wait too long before Laconia sends a response on their position.

Councilor Lipman wants us to understand the entire picture before taking a position.

Councilor Hamel agrees with Mayor Hosmer and Councilor Cheney. Councilor Hamel mentioned that years ago the City offered to purchase that property but they were refused. It was also offered to the County for a lesser price. Councilor Hamel agrees with Councilor Soucy about having Executive Councilor Kenney join one of the Council meetings to have a discussion about this.

Councilor Lipman reminded the Council that this bill still has to go through the House and Senate and this is why he suggested to have some open dialog.

Councilor Hamel would really like to know what Executive Councilor Kenney's position is on HB2.

Councilor Haynes respects Councilor Lipman's approach but at some point Laconia needs to have their thoughts heard.

Councilor Felch feels that the City of Laconia needs to reach out to their local representatives and voice their opinions. He also noted that Representative O'Hara is listening to this meeting right now and maybe we could hear his thoughts.

Councilor Soucy agrees with Councilor Felch.

Councilor Cheney does agree that dialog is a good idea but with the Senate President, not the Governor. Councilor Cheney also agrees that the local and County representatives need to be contacted and asked for their support.

Mayor Hosmer brought the Council and public up to date with what has been happening over the past couple of weeks in regards to Motorcycle Week. The Mayor, City Manager, Fire Chief, Police Chief, and John Beland from the Partnership from Public Health have been discussing Motorcycle Week and current COVID-19 data. Mayor Hosmer thinks it is prudent to discuss some contingencies. The question is still whether the 2021 Motorcycle Week can go on as normal or should it be scaled back. Mayor Hosmer is concerned with a proper balance of public health and the economic impact. Mayor Hosmer doesn't think the City is ready to make a final decision on how to move forward with 2021 Motorcycle Week. Mayor Hosmer would like this added to the March 22, 2021 agenda to have further discussion.

Councilor Felch thinks anything we do now would be premature.

Councilor Cheney does not want any rushed decisions.

Councilor Hamel stated he wished that the Motorcycle Week Association had reached out to the City before finalizing the June dates. He doesn't mind those dates, but he is not sure what the event may look like, whether ran as normal or scaled back. Some of the things that need to be looked at are the vendor permits, how many vendors will actually be attending?

Councilor Felch stated that all vendors are on board with the event moving forward.

City Manager Myers shared some background information pertaining to Motorcycle Week and other typical summer events and how they may look this season. He stated discussions have been happening over the past couple weeks regarding not just Motorcycle Week but 4th of July, summer camps, etc. In typical years, the planning for Motorcycle Week would begin as early as January. In 2020, that planning had already begun in January. It wasn't until March of 2020 that the Governor had a meeting with Superintendents of schools to close the schools. This year, there has been some planning started for Motorcycle Week but there has not been any money collected or firm commitments from any vendors. If property owners come in for site reviews for 10 vendor spaces, this doesn't mean they have 10 vendors lined up for those spaces, it just means they are approved for 10 vendor sites. City Manager Myers is concerned with pushing any decisions out as it is not just Fire and Police that need to be planned, there is a lot of other logistics that needs to be done as well. The April 28 date is only six weeks out from the start of the event.

16. COUNCIL COMMENTS

Councilor Hamel spoke of the vaccination process that was held this past weekend at the NH Motor Speedway. He explained it was run very well and he thanks all the volunteers and the State of New Hampshire that helped put this event on.
