NEW HAMPSHIRE HUMANE SOCIETY
MORE THAN A CENTURY CARING FOR THOSE WITHOUT A VOICE

Meet This Week's Featured Pets!

Myrtle

Meet Myrtle - a two-year old pit bull mix

This gorgeous girl is looking for a place to be loved :) She has asked us not to hang out with kids as they are just not her preferred crowd. Myrtle may do ok with some dogs - particularly dogs around her size with a similar play style, but she can be picky.

This social peanut would thrive with some continued basic training as a way to bond with you and she needs a little practice with her impulse control, though to be honest, don't we all?

Put in an application if you think Ms. Myrtle could be your new best friend!

Lady Whiskerdown

Meet Lady Whiskerdown - a quiet two-year old feline

The most beautiful lady you will ever meet, I was named purrfectly! When I first arrived at NH Humane Society a lot of things scared me, fast movement, loud noises, and even people. Lately though, I have found comfort building relationships with humans. I am easily swayed by treats.

I am looking for a quiet home where I can continue to grow and trust people because I want nothing more than to have a lap to cuddle on.

Are you interested in either Myrtle or Lady Whiskerdown? Please complete and submit an application on-line!

Also, please visit our website to view all of our adoptable animals looking to find their "furever" homes and visit our Facebook page for our latest news. Questions? Please contact us at 524-3252.

**New Hampshire's Ten Year
Transportation Plan
Public Hearing – 7:00 pm
October 27, 2021
Laconia City Hall
City Council Chambers**

The NH Department of Transportation will hold a public hearing for the Lakes Region on the State's Transportation Ten Year Plan for the years 2023 to 2032.

The ten year plan is the method the State uses to determine which projects are funded for the ten years of the plan. This includes funding for the State's road system as well as those programs that support Laconia such as State Municipal Bridge Aid and the Transportation Alternatives Program. The State Municipal Bridge Aid funds 80% of the projects required to rehabilitate and replace bridges. Without this funding Laconia's taxpayers would have to fund all of the costs associated with major bridge projects. The Transportation Alternative Program funds projects such as bicycle and multiuse trails as sidewalk projects.

The State's draft ten year plan for 2023 to 2032 can be found at the following link:

<https://www.nh.gov/dot/org/projectdevelopment/planning/typ/documents/2023-2032TYP.pdf>

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

'Gen.' William F. Knight quietly observed his 99th birthday, Oct. 13, 1946, at his home, located at the corner of Court and Main streets. Knight never served in the military. His title derived from appointment, 1895-1897, as quartermaster general on Gov. Charles A. Busiel's ceremonial military staff. (Laconia Historical and Museum Society)

... AND NOW

The 'Gen. Knight' House (built by Merchant Daniel Tilton in 1866) was moved to Rowe Court in 1948 and the corner became a vacant lot until the city's Urban Renewal Program of the late 1960s-early 1970s. (After use as an apartment house and Labbe Oil Co. office, the house was razed in early 2009 to make way for Walgreens — seen in distance — which opened, Oct. 9, 2009.) The corner site is now part of the parking lot for the Best Western Plus Landmark Inn, opened originally, in 1974, as a Ramada Inn. At left, Melcher & Prescott Insurance has replaced the Harriman Block, including the old Gilford Academy Building. (Adam Drapcho/The Laconia Daily Sun)
