

**February 4, 2022 - Edition #527**

*The first day of Spring is March 20th...  
43 days and counting!*

**Safety reminder:** Anyone exercising, walking or skiing on a City road during periods of limited visibility (including snow storms) should wear light colored clothing with reflective material and a blinking light.

Also, you should be walking, running or skiing against traffic so that you can see vehicles coming towards you. Depending on wind speed and direction, drivers may have limited visibility and may not see you. Walking against traffic gives you the ability to react quickly to approaching traffic if they are unable to see you.

12,000 Years  
Ago In The  
Granite State**

More than 12,000 years ago, small groups of Paleoindians endured frigid winters on the edge of a small river in what would become Keene, NH. In 2009, an archaeological survey for the new Keene Middle School discovered the remains of their stay and brought to light one of the oldest Native American sites in New England. The remarkably intact site produced evidence of four separate dwellings containing over 200 stone tools and fragments of burned animal bone. These early people, rather than being isolated stone-age nomads, were part of a social network that extended across much of northeastern North America. Speaker Robert Goodby is a Professor of Anthropology at Franklin Pierce University in Rindge.

Space is limited, so please sign up in advance by calling (603) 524-4775 ext 12, or emailing [info@laconialibrary.org](mailto:info@laconialibrary.org). This program is sponsored by the NH Humanities and the Laconia Public Library.

# Our yesterdays

*Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....*

## THEN ...

**Carignan's Nash Dealership and Tydol-Veedol service station at 300 Union Ave., Laconia, is seen in the 1950s. Begun as Carignan Bros. (Conrad and Maurice) in 1940, Conrad became sole owner in 1953. In the background, the Laconia Armory (dedicated 1928) is glimpsed. Laconia High School is off-photo at upper right. (Laconia Historical and Museum Society)**

## ... AND NOW

**In the 1980s and 1990s, Liberty Glass and Aluminum, Auto Doctor, Chassis Master and Fitzgerald Motor Sports occupied the property at various times. Rite Aid Pharmacy built an 11,000-square-foot store there in 1997-1998, taking down five structures (including three apartment houses) across from Gilford Avenue and three homes along Strafford Street. Then, in December 2000, Rite Aid sold the store to Osco Drug which was, in turn, acquired in 2002 by Brooks Pharmacy which operated it until Rite Aid ultimately bought out Brooks in 2007 and again occupied the space. The Armory became the city's Community Center in 1975. (Jon Decker/The Laconia Daily Sun)**

## Soft Plastic Recycling

The Laconia Gilford Lions, together with the Green Sanctuary Committee of the Unitarian Universalist Society of Laconia, is again collecting clean SOFT plastics on Saturday, February 19th.

We are collecting plastic grocery bags, vegetable bags, pet food bags, bubble wrap, newspaper sleeves, bread bags, air packing bags, dry cleaning bags, wood pellet bags, and ice bags. Each and every piece of CLEAN plastic is sent to Maine via the way stop at Hannaford's in Gilford to be repurposed and made into composite decking and outdoor furniture. Our volunteers (masked) will be in front of the little white church at 127 Pleasant Street Laconia from 11 am until 1 pm on the February 19th.

Our community is doing a great job in keeping these plastics from polluting the Earth. Our last collection on January 8th weighed in at 222 pounds! Everyone who stopped by should be mighty proud of what they have done and are doing. Please spread the word.

Earth is our Valentine.
