2022 Curbside Spring Leaf Pickup

During the weeks of May 2 - May 6, and May 16 - May 20 the City's contractor will pick up an additional 10 bags of leaves during these two weeks on your normal trash day.

All materials must be placed in paper compost bags.

Please note that yard waste will be collected by a separate truck, not the normal trash collection truck.

COMMUNITY LISTENING SESSIONS

Laconia City Manager Search Process Begins

After nearly eleven years as the Laconia City Manager, Scott Myers will be leaving his position with the City to pursue other opportunities. Municipal Resources Inc. (MRI), a New Hampshire company with a great deal of experience in conducting searches of this nature, has now begun their work to help us find our new City Manager.

As part of the search process MRI will be holding two Listening Sessions for the public to attend and provide input on what they would like to see in the next City Manager, along with what they see as short and long-term challenges for Laconia.

The two Listening Sessions will be held in the Laconia Rotary Hall Auditorium in the Laconia Public Library on Thursday, April 7, 2022. The first session will be at 2:00 pm and the second will be at 7:00 pm.

For those who cannot attend the sessions in person, we invite you to provide your comments via email at the following e-mail address: laconiacmsearch@mrigov.com. Please include the word "Laconia" in the subject line of your email. For questions of a general nature, please call the City Manager's Office at (603) 527-1270.

*We hope you can join us to offer your comments
and input on this important subject!*

Interested in learning more about incorporating herbs into new or existing gardens and/or containers? Come join the Opechee Garden Club, as Sarah Marcoux, presents a better understanding about the propagation and growing habits of available herbs, as well as

some which are harder to find. An overview of environmental conditions necessary to grow herbs will also be addressed. The use of culinary herbs is included in the presentation.

Sarah Marcoux says that she and her husband Dan have encouraged their four children ages 14 to 21 "to give back to the community and cultivate a lifestyle of service to others." Both are longtime, homeschooling parents. Sarah, and her then 18-year old son, Joseph, became Master Gardeners in fall 2016. They have been volunteering for the Free Seeds for Education program since late summer 2018. They helped collect and sort seeds, address envelopes, and package orders. The Free Seeds group sent out 515 orders of 10 seed packets each in 2021, working from home, due to the pandemic. In recent years, the mother-son team also built a pollinator garden at Southwick Elementary School in Northfield where the Marcoux's live, and have worked at local farmer's markets staffing an Ask A Master Gardener table.

The presentation will take place during Opechee Garden Club's monthly meeting on April 5, 2022 at 1PM. Meetings are held at the Gilford Community Church, Potter Hill Road, Gilford, NH. The public is invited to attend.

CONSUMER ALERT WARNING ABOUT MEDICARE CARD SCAM

There have been recent reports of scammers impersonating New Hampshire Division of Emergency Services and Communications ("DESC") employees in order to obtain sensitive personal information from New Hampshire residents.

NH residents reported receiving calls from the direct line of one of DESC's data control clerk's with a caller ID showing "NHEGCV." The caller asked the residents to verify their Medicare and Social Security numbers, telling the residents that the information was needed in order to issue a new Medicare card.

One resident was called 4 times over a few days. Each caller was different, although each spoke with a Russian or Eastern European accent and in each case chatter was audible in the background of the call. Each time, the phone number that appeared on the resident's caller ID was different, with the caller ID showing "NH Bureau of ECGY" on one of the calls. The callers asked for the resident each time by first name.

- ☞ You should not answer phone calls from numbers that you do not recognize;
- ☞ You should never give personal information over the phone; and
- ☞ You should confirm the legitimacy of any person claiming to be a representative of a state agency by contacting the particular state agency through its official contact email or phone number. A listing of every state agency and links to each agency's website and contact information can be found at <https://www.nh.gov/government/agencies.htm>.

If you or a loved one has lost money or property as a result of a phishing scam, please call your local police department and the New Hampshire Consumer Protection Hotline at (603) 271-3641. In addition, anyone with knowledge that a vulnerable adult has been scammed or financially exploited should also contact the New Hampshire Bureau of Elderly and Adult Services, at 1-800-949-0470.

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN . . .

The Laconia Housing & Redevelopment Authority had requested authorization, 50 years ago this week, to purchase and demolish the Laconia Savings Bank building (three-story structure nearest river, lower left), the last of the pre-Urban Renewal buildings still standing on the Downtown Mall in 1972. The bank had moved to new quarters on Pleasant Street in November 1971. (Laconia Historical and Museum Society)

. . . AND NOW

Today, the Municipal Parking Garage occupies the east side of Main Street, from the former Mill Street south to the intersection of Beacon Streets West and East. (Jon Decker/The Laconia Daily Sun)

HISTORIC DISTRICT

Members of the Historic District Commission were on foot meeting and greeting downtown businesses February 8th -17th. The purpose was to inform the public about the Historic District Commission and the possible expansion of the downtown area following a study completed by Historic Preservation Consultant, Mae Williams. The Heritage Commission engaged the expertise of Ms. Williams to evaluate the historical and cultural significance of structures in the area. The study can be accessed on the City of Laconia website, under the Heritage Commission.

If you are downtown building or business owner that was not visited in February, we are sorry to have missed you. The members of the Commission are available by reaching out to the Planning office (603-527-1293) or by attending a meeting. The Historic District Commission meets the last Tuesday of each month, in the Council Chambers at City Hall at 6:30pm, and welcomes the community to attend.

Greater Lakes Region Children's Auction
Awards Total \$497,045
Sixty-two area nonprofits receive funding

The Greater Lakes Region Children's Auction (GLRCA) is proud to announce that it has distributed grants totaling \$472,045 to 62 area nonprofit organizations. To see where the funds were distributed, please click [here](#).

Grants will be used by local nonprofit organizations to fund wide-ranging programs that support children and their families. These programs address needs that are vital to the well-being of children in our communities, including food and housing insecurity and related emergency assistance; afterschool programs, recreation, education and the arts; childcare and related family resources; and healthcare, including victim outreach and support and preventative health and wellness training.

Jaimie Sousa, GLRCA Board Chair, said she is proud of the 2021 Auction results. "The pandemic years have been difficult for so many people in the Lakes Region. The GLRCA Distribution Committee found that the request for assistance was greater than ever, particularly for basic needs that so many of us take for granted—food, shelter, clothing, safety," Sousa said. She added, "Each year we ask our community to come together and help their friends and neighbors. We weren't sure what to expect during the pandemic, but the generous people of the Lakes Region didn't let us down. Thank you again to everyone who played their part to raise funds that make a direct impact in the lives of local children."

Due to the continued COVID-19 health and safety measures, there was no check distribution ceremony in 2021. Instead, each nonprofit organization received personalized award letters informing them of their grant amount.

The next round of GLRCA grant applications will be due by October 15.

For more information about the GLRCA application and funding process, visit www.childrensauction.com/applyforfunding

"Many thanks to the hundreds of community members, sponsors and local businesses who donated and bid on items, volunteered their time and effort and participated in various fundraising activities, including those who took part in the 2021 Community Challenge," Sousa said. "We couldn't have done it without you. You are all #ChildrensAuctionChampions!"

In the past 40 years, the Auction has distributed \$7.5 million to nonprofit organizations in the community. "We are thrilled about that," Sousa said.

Learn more about the Auction at www.childrensauction.com, or follow the Children's Auction on Facebook, Instagram, Twitter, or LinkedIn.

About the Greater Lakes Region Children's Auction:

The Greater Lakes Region Children's Auction is a charitable event held every December in central New Hampshire. Countless volunteers and donors have turned the auction and its many fundraising events, including the 2021 Challenge, into a major annual campaign. In the 40 years that the community has come together for the auction, an impressive \$7.5 million has been awarded to local nonprofit organizations, all through volunteer efforts, community donations and corporate sponsorship. The Greater Lakes Region Charitable Fund for Children is a 501(c)(3) nonprofit organization that helps community organizations in the Central New Hampshire region. For more information about the auction, the nonprofits it supports and how you can help, visit ChildrensAuction.com.

The Belknap Mill Quilters' Guild will host a live and virtual lecture at 6:45 pm on Wednesday, April 13, 2022. "Designing Art Quilts from Your Photographs" will be presented by NH Fiber Artist and Art Quilter, Michele O'Neil Kincaid. From the artist: "I love using photos of nature and scenery to create one-of-a-kind art quilts! Come see how I begin, from inspiration to the completed piece. I will walk you through the process of using a photo, creating your design, enlarging an image, and building your art quilt. There is a short slide show and in person quilts to inspire and study."

On Thursday, April 14, 2022, from 10 am to 4 pm, Ms. Kincaid will lead an in-person workshop where participants will design their own Poppies quilt. The workshop will include machine applique, free form machine piecing for the background, free motion machine quilting and hand beading. Participants choose the colors, red, orange, yellow, purple etc. and make them POP!

The Guild is offering the lecture and workshop to the public at the Belknap Mill in Laconia. Non-Guild members may register for the lecture at info@bmqq.org and indicate if you will attend in person or on Zoom. The cost is \$5.00 per person.

The fee for the workshop for non-members is \$37 and there may be an optional kit fee TBD. To register for this fun workshop, click this link and fill in the form. Your registration is complete once you send your check to: BMQG, P.O. Box 6174, Laconia, NH, 03247. Click the following link for the registration form: <https://forms.gle/nTL94VuTK3n32q8n6>

The Guild is supported in part by a grant from the New Hampshire Council on the Arts and the National Endowment for the Arts.

HYDRANT FLUSHING NOTICE

As part of our continued effort to maintain drinking water quality,
Laconia Water Department will be flushing hydrants

April 11th through April 22nd

While this may produce discolored water, it is not harmful.
Simply run the cold water until it clears.

There could also be some fluctuation in pressure for a short period of time.
If you have any questions, please don't hesitate to contact us.

Public Works Department

Mark your calendar!

Free Dump Day for Laconia residents is scheduled for Saturday, May 7th.

(Businesses cannot dispose of their solid waste for free on that day.)

Public Works highly recommends businesses do not come to the Transfer Station on May 7th as it will be very busy.

Residents needing assistance with unloading will need to bring help with them. We expect a large turnout for this popular event, so be prepared to be patient as there is likely to be a longer wait time than normal.

To help minimize wait times, the City recommends that residents use the following schedule when coming to the Transfer Station on May 7th.

<u>Time</u>	<u>First letter of last name</u>
7 to 9 am	A through and including G
9 to 11 am	H through and including N
11 am to 1 pm	O through and including Z

Public Works will turn away any resident who arrives later than 1 pm, so please be sure to be at the Transfer Station before that time.

Residents who do not have dump stickers must have some form of documentation that shows they are a Laconia resident.

Items we will accept are appliances, water heaters, furniture, beds, plumbing fixtures, bagged leaves, demolition lumber, auto tires (limit 6 tires per customer). Items we will not accept are auto tail pipes, mufflers, radiators, engines, batteries or hazardous waste, paints or solvents.

Residents must still pay for disposing of electronics during free dump day.

Disposal of leaves and recycling for Laconia residents is free all year. Residents do not need a dump sticker or day pass to dispose of leaves or recycling, but must have documentation that shows they are a Laconia resident.

For more information or for questions about what is acceptable and what is not, please call the Department of Public Works at (603) 528-6379.
