Tips to prevent, detect, and report

- ◆ Only share your Medicare or Social Security number with those you trust.
- ◆ Only carry your Medicare card when you need it.
- ◆ Keep a record of all your medical visits and procedures.
- ◆ Review your Medicare statements for mistakes like charges you don't recognize or duplicate billing.
- ◆ Call your health care provider, Medicare, or your local SMP if you see something suspicious.

Look out for:

- ◆ Billing for services or medical supplies that were not provided.
- ◆ Misrepresenting a diagnosis, your identity, or other facts to bill Medicare.
- ◆ Prescribing or providing excessive or unnecessary tests and services.
- ◆ Billing out of pocket for services covered by Medicare.

Curbside Collection Tips

When can I place trash and recycling containers out for collection?

Trash is collected every week from the curb at the public right of way. Containers can be placed out for collection no earlier than 7 pm the night before your scheduled collection day and must be removed from the curb by 7 pm on your collection day.

Recycling is collected every other week. The time for putting recycling containers out for collection is the same as for trash containers. (See *recycling calendar* [here](#))

Where can I place my containers?

The containers cannot block pedestrians from using sidewalks. The full width of the sidewalk must be kept open at all times. Containers can be placed in the road against the curb or may be placed behind the curb. If placed behind the curb they must be within 6 feet of the front of the curb. Containers must be at least 3 feet apart from each other and 3 feet from another object like an electric pole or a mailbox.

How do I get rid of bulky items?

The City does not collect tires, electronics or freon containing devices at the curb. These items must be brought to the transfer station for disposal. Those items that can be placed at the curb for collection must have a bulky item sticker. These stickers can be purchased at Public Works or City Hall.

Bulky Items are collected by appointment only. Metal items are collected on the first Wednesday of the month. Non-metal items are collected on the 2nd and 3rd Wednesday of the month. Bulky items can be placed at the curb no earlier than 7 pm the night before your scheduled appointment.

What happens if I place my containers out at the curb too early or leave them too long?

For a first offense the property owner will receive a warning letter from Public Works. For a second offense the property owner will receive a fine of \$250. In the case of condominium associations, the association will receive a warning letter or fine if their members' containers are out too early or too late.

I am a senior citizen and have not yet received my smaller containers, when can I expect to receive the containers?

The additional smaller containers have been ordered and the manufacturer expects to ship them in late July. Once they arrive, Public Works will begin the process of swapping containers. Swapping will occur on a property's scheduled day of collection.

Additional questions? Please call the Department of Public Works at 603-528-6379.

cooperation!***

Our yesterdays

Our sincere thanks to Warren D. Huse, the Laconia Historical and Museum Society, and the Laconia Daily Sun for providing a glimpse into our community's past.....

THEN ...

Bank Square, Laconia, is seen in the late 1890s, when the Moulton Opera House (at right) and other buildings were decorated for some holiday celebration. The pathway to the left of the Florist shop was long known as Canal Court. The adjoining building, to the right, burned in January 1940 and Thomas J. McIntyre built a modern structure for Melnick Shoe and Clearweave on the site. Three-story wooden building, next right, was for a time occupied by the O'Shea Furniture Department and, was long home to Laconia Hardware Co. In this view, Main Street and Bank Square have been paved with cobblestones, eliminating the mud that had previously been much complained about. (Laconia Historical and Museum Society)

... AND NOW

Bootlegger's, Rent-A-Center and MC Cycle now occupy the space in front of the old buildings, which were razed during the city's Urban Renewal Program of the late 1960s-early 1970s. The newer buildings extend perhaps 20 feet out into the former Bank Square. (Jon Decker/The Laconia Daily Sun)

July 14, 2023, where has the time gone? This weekend is NASCAR weekend in Loudon, so Route 106 will be extremely busy. Please find alternate routes.

 On July 3, 2023, Paula won the RW&B Day. What a card, so much fun. Paula had the spirit and joy of what independence Day is. She surely loves AMERICA! Paula was crowned USA for the day.

Many bingo players came in and there were many winning \$\$. Other games such as scrabble, cribbage, poker, and UNO were played. They were so much fun and new members coming in, which makes us very happy.

The Center was closed on July 15, 2023, for rug shampooing. This is an all-day process. For health reasons, these carpets needed to be cleaned. There was no congregate meal served this day. Sorry for any inconvenience this may have caused.

We are looking into having a computer center added to the Senior Center. We are contacting electricians to get this done. In this center will be a computer, scanner, and a copier (maybe). On July 17 is coffee social hour and a possible walk along the river, if it will stop raining. How about a brown bag lunch. On July 18th we will have Det. Orton from the LEP, to speak on a safety issue. On July 20th, will be the BP Clinic and again Friday is Bingo and movie day. On July 27th Sherry from Granite VNA will be here at 10:AM to discuss an important topic of WILLS. If you do not have one, please come and get the information.

This month we will be having an Open House on July 25, 2023, for local businesses. The Center will be closed to the public from 2:30 PM to 5:30 PM, so that the businesses can come see the excitement for the New Center. Hopefully adding a new Kitchen!!! I would like to Thank Hector's for the wonderful donation of hors d'oeuvres for the Open House. We will also be serving Mocktails (non-alcoholic drinks) to go along with the hors d'oeuvres.

I hope everyone had a great week and is staying as cool as possible. Also, don't forget to call Service Link 1-866-634-9412 if you need assistance. Know anyone that is homeless? Please call 211.

Starting next week, we will be playing some exciting new games. You will have such a blast. We are all laughing now with anticipation of this game.

To follow for more information, go to www.laconianh.gov. Keep in touch with what is happening in the City of Laconia.

Have a great week!

As Always,
