### "THE MASTER" BY COLM TOIBIN

Tuesday, March 5  
7pm  
Laconia Rotary Hall

Beautiful and profoundly moving, *The Master* tells the story of Henry James, a man born into one of America's first intellectual families who leaves his country in the late nineteenth century to live in Paris, Rome, Venice, and London among privileged artists and writers. Toibin captures the loneliness and hope of a master of psychological subtlety whose forays into intimacy inevitably fail those he tried to love.

Discussion led by  
Prof. Maura MacNeil.

Copies are available at the front desk.

The NH Humane Society at 1305 Meredith Center Rd, Laconia is hosting a first of its kind  
**KITTEN SHOWER!**

If you've ever been interested in fostering kittens this is THE day for you to come by. Our incredible and knowledgeable staff will be discussing the need for more foster homes, the benefits to the kittens and how you can become one of our fantastic helpers and give these beautiful newborns the love, care and attention they so richly deserve while awaiting their forever home. In addition to the enlightenment and chance to sign up and become a foster parent, there will be food, refreshments and all kinds of fun.

Each spring, the NHHS becomes inundated with kittens, some that are too young or sick to be adopted right away. These babies are the ones who go into our foster program until they are ready to be adopted.

So...Want to make more of an impact in helping animals that are in need? Check out this link, [the Kitten Shower Wish List](#).

See what you can do to help us help them. Everyone here at the shelter, and most especially the kittens and their moms, will be greatly appreciative of your generosity and support.

Members of the Belknap Mill Quilters Guild, l to r: Ila Mattila, Membership Chair, Jody Saulnier, Publicity Chair, and Marlene Morin

The Belknap Mill is thrilled to welcome home the Belknap Mill Quilters Guild in March! A small variety of the incredible work of the Guild will be featured in the 'Quilts in the Mill,' exhibit in the Riverside Gallery from March 2 – March 30<sup>th</sup>. The exhibit will be open to the public Monday-Friday 9am to 5pm and Saturdays 9am to 4pm. An artist's reception, open for all, will be held on Wednesday, March 6 at 6pm.

The Belknap Mill Quilters Guild began as a small group of quilters looking for a place to gather and work on their favored pastime. Founded in 1978, the group met for 23 years in this timeless brick structure and shared their works of art at the annual quilt show held in October. By 2001, the Guild had outgrown the space of the Belknap Mill and found a new home with the Opechee Conference Center. They now meet at the Beane Conference Center on Blueberry Lane in Laconia.

This quiet group of almost 120 members can be found each month offering programs and lectures on the topic of quilting and fiber arts. During the two 'Sit-n-Sew' workshops held annually, members focus on completing quilts of all sizes that will be donated to several local organizations such as the Spaulding Youth Center, the Interlakes Children's Fund and the Recovery Program at the Belknap County Jail. The Comfort Quilt Program has provided thousands of quilts to those in need.

The exhibit at the Belknap Mill will be only a taste of what the Belknap Mill Quilters Guild will be showing during their 'Harvest of Quilts' Show in October. Funds from this show are used for charitable giving to the New England Quilt Museum in Lowell, MA. and the Lakes Region Scholarship Foundation.

For additional information regarding the Belknap Mill Quilters Guild please visit their website at [www.bmqg.org](http://www.bmqg.org). For more information about the Belknap Mill, this exhibit and other programming please visit their Facebook page or website at [www.belknapmill.org](http://www.belknapmill.org).

Over a century of love for those without a voice.

## Pet of the Week: Alice

This ultra sweet 2 year old mix came to us in January from the south and she would really love to find her people here in the Lakes Region and explore the beauty of the area with you.

Being young, she's still quite the puppy, active, playful and ridiculously loving. She does seem to have some vision issues, although it's nothing too serious. She is pretty good with other dogs, although for some she might be a bit too much in the energy department. She's learning how and when to chill and that most humans don't like it when she jumps up for attention.

Ideally, this beautiful girl would love an active family with teenage kids, another dog in the house and even a dog savvy cat. She's the type

of girl who will give you a smile on even the cloudiest of days. Food is definitely a great motivator in educating her on the polite ways of the pup. So go ask Alice, I think she'll know how to bring you eternal joy, laughter and love. [www.nhhumane.org](http://www.nhhumane.org)
