## Laconia Links

April 12, 2019 - Edition #382

Summer is just around the corner. Please consider participating in the City's [Adopt-A-Spot program!](#)

Question: "It's time to have my driveway repaved...do I need to contact the City in order to do this?"

Answer: Yes! Driveway permits are issued by our Public Works Department and are required before you pave or repave your driveway or parking lot area. More detailed information can be found in this issue of Laconia Links on pg 9.

Questions? Please call the Department of Public Works at 528-6379.

Welcome to *Laconia Links* a weekly email newsletter update devoted to keeping you informed of City of Laconia department news, City projects, useful links, activities and events!

Look for a new edition of the newsletter each Friday. If you have already signed up to be on our distribution list to receive your newsletter by e-mail, thank you for your interest! If you would like to be added to our e-mail list (or to unsubscribe), please click [here](#).

As always, we welcome your ideas and comments as to what you would like to see included in future issues. Just give us a call in the City Manager's office at 527-1270, or contact us by e-mail at [info@laconianh.gov](mailto:info@laconianh.gov)

*We look forward to keeping you up to date on our beautiful City!*

# Upcoming

EVENTS

**Adult Craft: Soap**  
**Tuesday, April 16**  
**2 pm or 6 pm**  
**Rotary Hall**

This enormously popular program is back once again. This time, use some fruity scented oils and soap colorant to make a fun, springy scented soap!

**Family Craft: Bunny**  
**Thursday, April 18**  
**4-5:30pm**  
**Selig Storytime Room**

Come with a friend and make a bunny with googly eyes!

**ADULT COLORING**  
Friday, April 19  
1:30-3pm  
Volpe Room

Take some time out of your busy day to relax and enjoy a chance to experiment with colored pencils, gel pens, markers, or watercolor pastels. New designs provided every month.

**HEALING THROUGH MOVEMENT:  
TRAUMATIC STRESS, HEALING  
AND RESILIENCY WITH YOGA**

**Saturday, April 20**  
9:30-11am  
Laconia Rotary Hall

This class, led by Certified Yoga Instructor Kim Corsack, aims to cultivate awareness of the mind-body connection by integrating purposeful attention with physical postures and focused breathing. Focusing on present-moment experiences on the yoga mat can translate to benefits off the mat in daily life, especially for people dealing with traumatic stress. Calmness, deeper inward self-connection, deeper connections with others, and empowerment through taking control of one's body and one's life can all result from this type of practice. Be a part of this safe space to observe and feel emotions that may surface through a whole body experience.

Mats will be provided, or feel free to bring your own. Please dress in athletic wear suitable for exercise. This class is open to **women only** and space is limited. Please sign up at the front desk. If there is enough interest, we may run this program again specifically for men.

# Upcoming Meetings...

Keeping the public updated and aware of what's going on in our community and receiving residents' feedback is an important goal of the City Council. Check each week's issue of *Laconia Links* for a schedule of the upcoming week's meetings. As agendas become available, they will be posted to the City's website.

You can also contact any of the City's departments for more information on a meeting or to obtain a printed copy of the agenda. Meetings are open to the public. You are invited and encouraged to attend and provide input.

## Laconia School District

Ensuring success with every student, every day, in every way

**FRIDAY, APRIL 12, 2019**

Thank you to everyone who made the 18<sup>th</sup> Annual Laconia Schools City-Wide Chess Tournament on April 6<sup>th</sup> a successful event!

A huge thank you to our volunteer coaches: Josh Greenbaum at LHS, David Prescott at ESS, Chris Beyer at WHS, Greg Schneberger at LMS, and Eric Cardinal at PSS for giving their time and energy to keep chess in our schools.

Thank you to Laconia Police Department and Bank of New Hampshire for sponsoring this event which provided trophies, medals, food and coaches' gifts. Thank you to Funspot and Wayfarer Coffee Roasters for providing gift cards for our top division winners. Thank you to Project EXTRA for providing our chess club members with snacks during each session and to Jack Aldrich and his Culinary Arts students for prepping all the delicious breakfast treats.

**Congratulations to our first-place division winners:** Bryden Wright for the High School Division Grades 9-12, Lex Condodemetraky & Finnian Mousseau who tied for the Middle School Division Grades 6-8 and Niko Condodemetraky for the Elementary School Division Grades 3-5.

Thank you to all the spectators and families and especially our dedicated chess players who participate in this annual tournament. This truly is a community event which Laconia School District is very proud of!

Think Twice Before Buying  
Easter Chicks

With Easter coming soon, you'll be seeing ads for Easter chicks. Aww...aren't they cute? However, the City considers chickens, even the cute little chicks, to be livestock and NOT pets. In most areas of the City, livestock including chickens, are not allowed to be kept on the property.

Chickens, ducks, guinea hens, pigs, goats, and other agricultural animals are not permitted in most districts in the urban/suburban districts in Laconia. Agriculture and agricultural animals are permitted in the RR1 (Residential Rural), RR2 (Residential Rural Corridor) and AI (Airport Industrial) districts. In the CR (Commercial Resort) district, agriculture and the animals typically associated with agriculture are only allowed by Special Exception granted by the Zoning Board of Adjustment.

If you're not sure what zoning district you live in, check your tax card on the City website or call the Planning office at 524-1264 to find out. A good idea is to keep your chick purchases to the pink marshmallow kind!

**Remember:**  
**"Glass is Trash"**

# Notes from the Public Works Dept.

Our "City Recyclers", whether residents or businesses, are the key to a successful recycling program. If Recyclers follow a few easy steps, this will ensure the City's recycling program is successful and affordable:

**Know what to throw:** Items that are not recyclable when placed in a recycling container increase the City's cost of recycling as Laconia not only pays to have non-recyclable items processed through the recycling system, but also pays for the cost of disposing of the items.

**Recyclable containers should be empty, clean and dry** and should not have any tops on them. The tops are made of a different material than the bottle. If they are still on the bottle, both the bottle and cap are treated as contaminated and are sent to the landfill.

**Keep it loose:** Do not place recyclables in plastic bags. Plastic bags are not recyclable in our single stream system. Since the process does not know what is in the bag, to protect their employees and equipment, the bag and ALL of its contents are treated as trash and are landfilled.

If you have questions about recycling, please feel free to call the Department of Public Works at 528-6379. We are here to help!

# News from the Public Works Dept.

It's that time of the year and many residents and businesses have begun their plans to have their driveways and parking lots repaved. Driveway permits are issued by Public Works, located at 27 Bisson Ave. Please keep in mind that obtaining your driveway permit is easier if you have everything the City needs to review your request when you come to the appropriate City Office.

**Larger multi-family complexes (greater than duplex) and commercial property owners** must start the permit process at the Planning Department in City Hall to determine if their plans meet City zoning regulations. Please bring a sketch or plans of the existing pavement (if any) and of the proposed pavement. Planning will review the concept to ensure your plans meet the City's green space as well as setback and any other zoning regulations. After ensuring your proposal meets the City's zoning regulations, Planning notifies Public Works that they can issue your driveway permit.

**Single family residential and duplex property owners** can go directly to the Public Works office to obtain a permit. Please bring a sketch or plans of the existing pavement (if any) and of the proposed pavement. Public Works will review your pavement plan to determine if your plan meets the City's green space and driveway length zoning requirements. Public Works will also review your plan to determine if it conforms with the City's driveway policy. If your plan conforms to the City's driveway policy and meets greenspace and length requirements, Public Works will issue you a permit. If your plan does not meet either zoning regulations or the City's driveway policy, Public Works will explain the next steps that you must take to obtain a driveway permit.

The City's driveway policy is on the City's web site. Click [here](#) to obtain a copy.

Questions? Please call the Department of Public Works at 528-6379.

### Philosophy

The National Day of Prayer enables us to recall and to teach the way in which our founding fathers sought the wisdom of God when faced with critical decisions. It stands as a call to us to humbly come before God, seeking God's guidance for our leaders and God's grace upon us as a people.

Lakes Region Inter-Faith Prayer Breakfast was started as a means of bringing together people of different backgrounds and affiliations to celebrate the blessings of the year and join in inclusive fellowship of the spiritual renewal of community, state and nation.

## Lake Opechee Boat Ramp Closed Monday–Thursday through May 1

Eversource is improving the reliability of the electric system in the Laconia area. Work to modernize our Messer Street Substation, next to the Lake Opechee boat ramp, is on schedule and nearly complete.

To keep workers and the general public safe during the remainder of construction, the boat ramp will remain closed Monday through Thursday, 7 a.m.–5 p.m., until May 1, 2019. These temporary hours have been in place since November 2018 to maintain safe operations. The boat ramp will be open to the public during hours outside the posted closure times, as well as all day Friday through Sunday.

We'll communicate any updates to the Laconia Department of Public Works, and notices will be posted at the boat launch 24 hours in advance.

Thank you for your patience as we work to serve you even better.

## Pets of the Week: Bonnie & Clyde

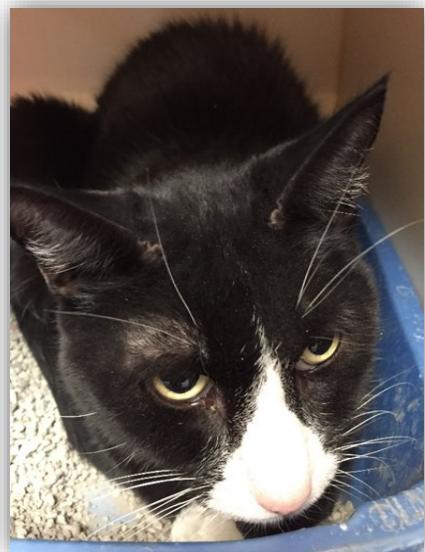

As inseparable as Bonnie and Clyde were in the history books, so too are these two senior cats who just happen to share the same names as those notorious humans.

Unlike the humans, these beautiful creatures are ever so timid, meek and sweet. They came here together when their human caretaker could no longer meet their needs after spending all of their 11 years of life together.

Here at the shelter they still love being together, they hide together, they snuggle together and really are a sweet and timid a pair of cats as you will ever meet.

These Jellicle cats are king and queen of the night and truly deserve to snuggle up with you for the rest of their lives. So be a hip cat, be a ship's cat and come out, meet this loveable pair and enjoy life knowing you have brought such boundless happiness to theirs.

## Pollinators

PLEASE RESIST the urge to clean up your gardens until after temperatures are constantly above 50 degrees!

Many butterflies, bees and other pollinators are currently overwintering in the dead leaves and hollowed out stems of last year's plants. If you clean out your garden now, you will literally be throwing away this year's butterflies, bees and other beneficial pollinators.

*From your friends at Laconia Parks and Recreation*

### **Description:**

NH Periodic Motor Vehicle Inspection Seminar is a learning experience that combines online study of inspection rules with eight hours of hands-on practice performing the various tasks required to complete an official vehicle safety inspection and emission inspection.

Participants will complete an on-line course of study followed by two four-hour hands-on modules that start at 5:00 PM and end at 9:00 PM. Participants must be able to access the internet to open the Motor Vehicle Inspection course on CCSNH Canvas learning management system and complete the desk exercises before the hands-on exercises.

**Outcomes:** The successful learner will...

- demonstrate knowledge of NH State Inspection rules and requirements.
- demonstrate the ability to perform a NH State Inspection following a logical sequence.
- demonstrate the ability to check steering linkage and suspension component wear using a dial indicator to the nearest 0.001"
- demonstrate the ability to measure rotor thickness using an outside micrometer.
- demonstrate the ability to check headlamp aim using the CVA EZ headlamp aimer.
- demonstrate the ability to properly check tire condition and tread wear using the tread depth gauge to the nearest 1/32 inch.
- demonstrate the ability to inspect brake lining thickness using brake lining thickness gauges.
- demonstrate the ability to measure brake drum diameter using the Ammco brake drum micrometer to the nearest 0.005"
- demonstrate the ability to determine window tinting light admittance.
