Monthly Adult Craft Instructions

Soap Instructions

INGREDIENTS

- 4 cubes shea butter soap base (melted)
- Soap colorant (a few drops)
- Soap mold (mold will be shared between multiple people)
- Fruity essential oil (a few drops)

INSTRUCTIONS

- Choose a mold, and mark it with your name on a post-it.
- Soap should be melted in crock pots at the front of the room. Choose 1 jar.
 - (If not, microwave cubes in 30 second increments, stirring afterward each time until completely melted.)
- Stir in scent, and add a couple drops of colorant, mix well (or not, if you want swirls)
- Pour the melted soap into the soap mold and allow to sit undisturbed until cool (about 30 minutes depending on size of mold-it's possible to speed up the process by sticking it in the fridge or freezer if there's space)
- There are wax baggies available to transport your soap, once set.

While waiting for the soap to cure, you can use the paper supplies provided to make a pretty label, if you choose.
