QUESTION

CHARTER AMENDMENT QUESTION

Are you in favor of amending Article I, Section 1.02 of the Laconia City Charter as follows:
The six wards shall be constituted to have as equal population as is practicable. To achieve that goal, starting upon the issuance of the results of the 2020 census, and every 10 years thereafter upon receipt of the federal census results, the City Council shall promptly initiate review of the ward boundaries to determine if redistricting is necessary. Any necessary changes to the ward lines shall, as near as is practicable, ensure that the wards have equal population.

If the City Council determines that ward redistricting is necessary upon receipt of the federal census results, then the City Council shall promptly undertake and enact such redistricting of ward boundaries in the form of an ordinance, which shall be approved by a two-thirds majority vote of all elected members of the City Council after a duly advertised public hearing posted in two public places at least seven days in advance of such hearing.

Any changes so enacted shall thereafter appear as revisions to Charter Section 1:02.
