CITY OF LACONIA

Petition to Extend Water and Sewer Service Areas in Belmont

**COMMENCEMENT OF ADJUDICATIVE PROCEEDING
AND NOTICE OF PREHEARING CONFERENCE**

On February 17, 2023, the City of Laconia (Laconia) filed a request to expand its water and sewer service area to include eighteen additional residential lots in the neighboring Town of Belmont (Belmont). In support of its petition, Laconia filed a number of attachments, including maps demonstrating the proposed service area extension. The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, are available on the Commission's website at

<https://www.puc.nh.gov/Regulatory/Docketbk/2023/23-016.html>.

I. BACKGROUND AND PROCEDURAL HISTORY

According to its petition, Laconia provides water and sewer services to its residents. It now seeks to expand its franchise area to serve eighteen¹ additional properties in Belmont. Laconia stated that the owner of these lots, Mountain Lake Village, LLC, requested that Laconia extend its service to cover the additional lots because Belmont does not provide water and sewer services in that area of the town. See Laconia Petition Exhs. 2-3 and 5. Laconia further represents that Belmont

¹ The opening paragraph of Laconia's petition states that Laconia is seeking to extend service to thirty-four properties in Belmont. In paragraph 2, however, the petition represents that Laconia is seeking to extend service to eighteen properties. Based on the attachments to the petition, it appears that eighteen is the correct figure. If that is incorrect, however, Laconia should clarify the number of properties it seeks to extend service to under its current petition.

supports Laconia's petition to expand its franchise. See Laconia Petition Exh. 5. Laconia requests that the Commission resolve this request on an expedited basis.

Pursuant to RSA 362:2, a municipality that provides water and sewer services to residents within its corporate limits is exempt from the definition of a public utility. A municipality that provides water and sewer service to customers outside its corporate boundaries may also be exempt from the definition of a public utility under RSA 362:4 if it meets the criteria outlined in that statute. However, whenever a municipality seeks to expand its franchise to serve new customers outside its corporate boundaries, it must receive the Commission's approval pursuant to RSA 374:22 and 374:26. See RSA 362:4, III(a); RSA 362:4, III-a.

II. ISSUES PRESENTED

The filing presents, *inter alia*, the following issue: whether Laconia's proposed extension of its franchise to eighteen residential lots in Belmont would be for the public good, as required by RSA 374:22 and RSA 374:26. Accordingly, an adjudicative proceeding will be convened to address this issue.

The Commission will be conducting the prehearing conference and any hearings scheduled in this matter in person. The Commission will consider requests to conduct hearings using a hybrid format to permit remote participation by a specific individual only if the Commission has determined that a sufficient reason has been provided for why that individual would be unable to attend in person. Any party requesting that a specific individual be permitted to participate remotely should file a written request with the Commission's Clerk's Office no later than fifteen (15) days prior to the prehearing conference or hearing date. If the Commission determines that one or more individuals will be permitted to appear remotely, then individuals in the Commission's

hearing room, including the Commissioners, will be broadcast on a web-enabled platform.

Based upon the foregoing, it is hereby

The petition shall state the facts demonstrating how the petitioner's rights, duties, privileges, immunities, or other substantial interests may be affected by the proceeding, consistent with N.H. Admin. R., Puc 203.17; and it is

FURTHER ORDERED, that any party objecting to a petition to intervene make said objection on or before April 3, 2023; and it is
